

Advanced Chemical Company is aware of the Dodd-Frank Wall Street Regulation and Consumer Protection Act in regards to “Conflict Metals.” This Act has now been signed into law, instituting a system of investigating, monitoring, auditing and holding the supply chain accountable for conflict-free metals/mineral usage. We have attached a copy of the Act for your records.

Currently gold is the only mineral on the list of “Conflict Metals” that is incorporated into your products.

Please verify your status on the attached form and mail back the completed/signed form.

Thank you,

John Antonacci
Director of Sales & Marketing.
